

Level 5 Coaching Apprenticeship.

This apprenticeship will enable you to become a well-rounded Coach. You will be supported to build a personal coaching skill set, learn how to embed this in a team, and in turn apply this to your wider organisation. The programme will stretch and challenge you through professional one-to-one coaching and the opportunity to develop your skills with a network of peers in industry.

To apply for this programme you must be employed in a relevant role, and have the opportunity to practise coaching or mentoring in the workplace. Employers may also have additional individual entry requirements.

15-month programme (including EPA)

Structure and commitment

Online coaching

Regular telephone or video one-to-one coaching sessions with a dedicated Coach Mentor

Online module delivery

Four modules which each feature online classroom live workshops, plus time each week to review online content and complete tasks

Guided self study and workplace application

Approximately six hours each week to put new learning into practice, working towards technical competencies and demonstrating the application of skills to your job role

Additional benefits

Developed with Grant Thornton

EMCC Global Coaching Award Winners Grant Thornton have co-designed this programme with BPP to ensure the skills you develop help you to realise your potential as a Coach and Mentor

Unrivalled network of peers

Join peers from some of the most recognised companies to test your knowledge in a safe and structured environment, and use that shared experience to develop a coaching culture within your organisation

Specialist support and teaching

The guidance and coaching you receive is from our experts who have practical experience in the fields they teach
